A Job in Media

I love the job of the journalist. It's a great job. In fact the journalist works hard all the day. He is active and clever. He tells us the latest news. He tells us what happened around us. The journalist should be honest. He should tell the truth. People trust the news and believe his words. The journalist mustn't tell lies or fake news. He should be honest to believe him. So it's a great and useful job.

A Job you like

There are many kinds of jobs in life and they are all useful. Everyone wants to have a good job so that they can earn money to live with and do some kinds of services for the society. After finishing my education. I'd like to be a heart surgeon. It is a great job that gives me an important position. Surgeons make a difference to people's lives so I want to be one of them. When I become a heart surgeon, I will feel proud to help people with heart problems to start a new life with healthy hearts. We should choose a suitable job for our abilities. My parents encourage me a lot.

Natural wonders in Egypt

There are a lot of natural wonders in Egypt. I think people and visitors should know about them to enjoy visiting them. The most famous natural wonders are the White Desert National park, Al Nayzak Lake and Gebel Elba. The white Desert is an amazing place. It contains five oases with rocks. Al Nayzak Lake has a shape of an eye. It is the best place to dive and swim. Gebel Elba is a national park. Although it is a desert land, it is unusually green and a home to many animals and birds. Many organizations try to protect important places all over the world.

A biography about a famous person

Farouk Shousha was born in Damietta. He studied and lived in Egypt. He was able to read many books in the Arabic language. He is a well known radio presenter and a famous poet. He studied at Cairo University and graduated from the faculty of Dar Al-Ulum. He worked as a radio presenter. He always talked about the beauty of the Arabic language and its rich literature. He was called the guardian of the Arabic language. He helped many young presenters.

A short story

Once upon a time two friends were walking through a forest when a lion ran after them. One of them rushed to the nearest tree and climbed it as fast as he could. He forgot his friend. He thought only of himself. His friend threw himself to the ground and pretended that he was dead. When the lion came close to him, he stayed very still and didn't move. The lion smelt him and touched his ear. Then it went away. The boy who was under the tree came and said it's all right the lion had gone. you can come down. His frightened friend came and said the lion puts its nose very close to your ears, what did it say? His friend laughed a lot and said it told me to look for another friend because a friend who runs away when there is a danger is not a real friend.

Technology

There are many kinds of technology. For example TVs, computers, internet, and smart phones. We use the technology in many fields. Doctors use technology to help sick people. Farmers use technology to grow their fields. We also use technology at schools. Now we can't live without technology. However, we should use technology on the right way. Some people waste their time using technology e.g. spending much time using the internet. It's unhealthy.

Pollution / Green energy

There are many kinds of pollutions, for example air, water and soil pollution. Pollution is very harmful for us and for the environment. We should stop pollution by using green energy. People used to use fossil fuel. It is bad for the health. It's better to make a good use of solar energy. We should build a lot of solar farms which produce the clean energy. It's bad to throw rubbish especially plastic rubbish in the water. It's very harmful, because it doesn't decay for a long time. We should recycle it.

Healthy food

There are many kinds of food, for example meat, rice, dairy products, fruits and vegetables. Some food is healthy but other food is unhealthy. Meat is healthy. It gives us protein. Dairy products are healthy, too. It gives us calcium. We should eat healthy food to keep fit and healthy. Some food is unhealthy. For example sugar, fats, and fast food. It is very dangerous. It may hurt our body. Our body needs water, so we should drink much water every day. We should do a lot of exercise every day to keep fit.
